

Coach Mentoring Pathway Program

A hybrid program combining coach mentoring and reflective practice using the ICF Core Competencies.

The Coach Mentoring Pathway Program gives learners the opportunity to unfold and discover their unique voice and coaching genius.

This program consist of 6 group sessions and 3 individual sessions delivered via Zoom over three months to meet ICF credential application requirements.

Group sessions run for 90 minutes and individual mentoring sessions run for 60 minutes. The program will cover:

- Gain an in-depth understanding and application of the 8 ICF Core Competencies
- Receive and learn from targeted feedback about your coaching
- Develop yourself as a coach through reflective practice

The Coach Mentoring Pathway Program gives learners the opportunity to "recognise and work within the limits of their own competence as well as engage in continuing and ongoing professional development."

"They created a safe environment that really stretched me and took my coaching to a whole new level. I now feel confident to apply for my accreditation."
